

Daddy Roll 'Em
(Bob Gibson)

They call me daddy, daddy roll 'em
They call me daddy roll 'em, down, down, down
And when I roll 'em, I really roll 'em
They call me daddy roll 'em, down

They call me daddy, daddy drive 'em
They call me daddy drive 'em, down, down, down
And when I drive 'em, I really drive 'em
They call me daddy drive 'em, down

Ten more miles and we'll make that mountain, glory
Ten more miles and we're on hard ground
Julie, gal, can't you here me callin'
Do you know they call me daddy roll 'em down

They call me daddy, daddy roll 'em
They call me daddy roll 'em, down, down, down
And when I roll 'em, I really roll 'em
They call me daddy roll 'em, down

They call me daddy, daddy drive 'em
They call me daddy drive 'em down, down, down
And when I drive 'em, I really drive 'em
They call me daddy drive 'em, down

Julie, gal, can't you here me callin' to you
And Julie, gal, don't you understand
So many miles that I can hardly count 'em now
I feel you pulling me by the hand

They call me daddy, daddy roll 'em down
They call me daddy roll 'em, down, down, down
And when I roll 'em, I really roll 'em
They call me daddy roll 'em, down
