

Don't You Know

Well, don't oh don't you know
I have fallen in love with you
For the rest of my whole life through

Don't, don't you know
Every beat of my heart it takes
Is for you baby no mistake

And don't you know
That a love like ours is supposed to grow

And don't oh, don't you know
Every beat of my heart keeps crying out
I want you so
Don't you know

Baby don't oh, don't, don't you know
I have fallen in love with you

Don't oh, don't you know
Every beat of my heart keeps crying out
I want you so
Don't you know

Spoken: For I thought by now you'd know
I have fallen in love with you
For the rest of my whole life through

And don't oh, don't you know
Every beat of my heart keeps crying out
I want you so
Baby don't you know
