

Hello Trouble
(Eddie McDuff/Orville Couch)

Woke up this mornin', happy as could be
I looked out my window, what's that I see
Coming' up the sidewalk, just as plain as day
Well here comes trouble that I never thought I'd see since you went away

Hello trouble come on in
Well you talk about heartaches where in the world you been
Well, I ain't had the miseries since you been gone
Well hello trouble, trouble, trouble
Welcome home

We'll make a pot of coffee and you can rest your shoes
And you can tell me them sweet lies and I'll listen to you
Well it's just a little part of, part of the life we'd live
But I'd rather have a little bit of trouble than to never know the love you
give

Hello trouble, come on in
Well you talk about heartaches, where in the world you been
Ain't had the miseries since you been gone
Well hello trouble, trouble, trouble
Welcome home

Hello trouble, trouble, trouble
Welcome home
