

I'll Be On That Good RoadSomeday
(Bruce Philips)

I'll be on that good road someday
I'll be on that good road someday
That same old train's gonna come backagain
and rattle all my blues away

Now darling you can't love one
Darling you can't love two
Darling you can't love three or four
when you think my love belongs to you

I'll be on..

I've counted the long lonely nights
I've counted the stars in the sky
I don't know why I counted on you
I know it's too late now to cry

I'll be on..

If I had the wings of a dove
I'd be on my way back home
But I am bound to a false heart of love
Till I wish I was living alone

I'll be on..
