

I got a rock  
(Nash)

I got a rock  
You got a rock  
We got a rock  
They got a rock

I got a stick  
You got a stick  
We got a stick  
They got a stick

I got a gun  
You got a gun  
We got a gun  
They got a gun

But I got a wife  
I got a family  
I got a country  
I want a future

I got a bomb  
You got a bomb  
We got a bomb  
They got a bomb

But I got a wife  
I got a family  
I got a country  
I want a future

But I got a wife  
I got a family  
I got a country  
I want a future

But I got a wife  
I got a family  
I got a country  
I want a future
