

Kathleen's Song
(Roger McGuinn/Jacques Levy)

D G D G D Em D
1. When I awake you will be gone shady tomorrow
G D G A
I want to go where will you be
G G/F# D Em A
So I'll stay home letting my hair grow long
G G/F# D A
And I will be walkin' in dew

2. While fire burns summer is gone winter is sorrow
And time don't mean nothing to me
When only the hours listen to hear my songs
And I will be walking in dew
And I will be waiting for you

E A E A D
- Some people say love goes away not mine

3. A rose is left for your cheek I will borrow
And find a place for you to see
A sash of blue tells me your love is strong
Each day my life starting anew
And I will be waiting for you
