

Keep on Chooglin'

Keep on Chooglin'
Keep on Chooglin'
Keep on Chooglin'
Chooglin'
Chooglin'

Maybe you don't understand it
But if you're a natural man
You got to ball and have a good time
And that's what I call Chooglin'

Here comes Mary lookin' for Harry
She gonna choogle tonight
Here comes Louie, works in the sewer
He gonna choogle tonight

If you can choose it, who can refuse it
Y'all be chooglin' tonight
Go on, take your pick, right from the git go
You gotta choogle tonight

Oh, we're Creedence!
Clearwater!
Revival!
