

Oh Happy Day
(Gospel)

Oh happy day, oh happy day
Oh happy day, oh happy day
When Jesus washed, don't you know he washed
oh ,when Jesus washed, he washed my sins away

Oh happy day, oh happy day
Oh happy day, oh happy day
Jesus washed, oh yeah Jesus washed
Yeah he washed, he washed my since away
Lord it was a happy day

He taught me how to watch, fight and pray
My Lord, good God!
He taught me how to be rejoicing
every day, every day, hey!

Oh happy day, oh happy day
Oh happy day, oh happy day
When Jesus washed; Lord, when Jesus washed
(yes he washed) he washed my sins all away

He taught me how to fight, watch an pray!
Feel the joy, every day
I'm gonna leave rejoicing with my Lord
Every day. Good Lord, my God!

Oh happy day, oh happy day
Oh happy day, oh happy day
Yeah, when my Jesus washed, when my Jesus washed
Thank you Lord, you washed all away
A happy day, Lord it was a happy day
Good Lord, my Lord!
Such a happy day
You know it was a happy day
When I get to heaven I sing and shout
It fills you up with Joy
Fills you up with Joy
Makes you really happy
Hey, hey. We gonna be changed
Change my Name, change my name
