

One Of These Days  
(Earl Montgomery)

I won't have to chop no wood  
I can be bad or I can be good  
I can be any thing that I feel  
One of these days  
Might be a man all dressed in black  
Be a hobo by the railroad track  
I'll be gone like the wayward wind one of these days  
One of these days it will soon be all over cut and dry  
And I won't have this urge to go all bottled up inside  
One of these days I'll look back and I'll say I left in time  
Cause somewhere for me I know there's peace of mind

I might someday walk across this land  
Carrying the Lord's book in my hand  
Goin' cross the country singin' loud as I can  
One of these days  
But I won't have trouble on my back  
Cuttin' like the devil with a choppin' axe  
Got to shake him off my back, one of these days  
One of these days it will soon be all over cut and dry  
And I won't have this urge to go all bottled up inside  
One of these days I'll look back and I'll say I left in time  
Cause somewhere for me I know there's peace of mind
