

Satisfied Mind  
(Red Hayes/Jack Rhodes)

1. How many times have you heard someone say           A   B                   A                   E    A    E  
If I had his money I'd do things my way           B    A                   E           A    E  
But little they know that it's so hard to find       B    A                   E           A    E  
One rich man in ten with a satisfied mind           B    A                   E           A    E

2. For money can't buy back your youth when you're old  
Or a friend when you're lonely or a heart that's grown cold  
The wealthiest person is a pauper at times  
Compared to the man with a satisfied mind

3. Once I was living in fortune and fame  
I had all that I dreamed of to get a start in lifes game  
Then suddenly it happened and I lost every dime  
But I'm richer by far with a satisfied mind
