

Shakin' All Over

When you move in right up close to me  
That's when I get the shakes all over me

Quivers down my backbone  
I got the shakes in the knee bones  
Shivers down my thigh bones  
Like I'm  
Shakin' all over

That's what happens when you say goodnight to me  
Bring this feeling all inside of me  
Quivers down my backbone  
I got the shakes in the knee bones  
Shivers in the thigh bones  
Like I'm  
Shakin' all over
