

So Sad
(Don Everly and Phil Everly)

Remember how you used to feel dear
You said nothing could change your mind
It breaks my heart to see us part
So sad to watch good love go bad
Remember all the things we planned dear
And now I see them slip away
It makes me cry to see love die
So sad to watch good love go bad
Is it any wonder why I'm feeling blue
When I know for certain that I'm losing you
Remember all the things we planned dear
And now I see them slip away
It breaks my heart to see us part
So sad to watch good love go bad
So sad to watch good love go bad
