

Wait A Minute
(Pedersen)

Wait a minute
Did I hear you say you're going far away again
Try to change it
I can't take the lonely nights without your love

I'm doing the road
Get music done and move along
What good does it do
Play a song for her and hear her say

Rolling along
Life's been good to you and even so
She comes to you
Late at night's the time to hear her say once again

Waiting for you
Thirty days and nights without a raise
Got to hold on
Twenty-five to go and once again I'll hear you say
