

Walk On the Water  
(Gib Guilbeau and Joel Scott Hill)

If I could walk on the water  
I'd comb the great seas  
Oh, mama you'd still be a wonder to me

You know Satan may tempt me  
But I seldom fall  
Oh, mama temptation steps in when you call

Like a thief in the night  
With the charms of a child  
You can steal me away  
With one little smile

When you give me love, oh  
Like only you do  
Oh, mama I'd walk on the water for you

Like a thief in the night  
With the charms of a child  
You can steal me away  
With one little smile

When you give me love, oh  
Like only you do  
Oh, mama I'd walk on the water for you  
Oh, mama I'd walk on the water for you
