

We Can Do It All Over Again
(M.Williams/B.Goldberg)

Just look at you
What I put you through
Makin'my moves
Travelin' in a band
Rock'n Roll years
Laughter and tears
Youwere sharing my fears
on the lonely one night stands
Would you...

Learning to fly
Just getting by
Girl you and I
More than friends
Stories we told
Dreams that we sold
Searchin' for gold
At the rainbows end
Would you....

You and me
Sweet memories
Love at its best
Gril we put it through the test
Do you believe
We can do it all over again
Would you...
