

Why Can't I Have Her Back Again
(Gene Clark)

Yesterday she set me free
Said our love could never be
Said she didn't even want to be my friend
Today I ask myself just one more time
Why can't I have her back again

She said to me that time would go
And that in a year or so
My sad and broken heart would shurely mend
But I can only ask myself just one more time
Why can't I have her back again

Will I just live my life this way
Wondering where she's gone from day to day
Or will I find someone somewhere
That will make me forget all about her

But the way things are right now
I could never live it down
And there's no use for me to pretend
And so I'll ask myself just one more time
Why can't I have her back again

And so I'll ask myself just one more time
Why can't I have her back again
