

Willin'
(George)

I've been warped by the rain driven by the snow
Well, I'm drunk and dirty and don't you know I'm still, still willin'
I'm out on the road most every night
I see my pretty Alice in every headlight, Alice
Dallas Alice

I've been from Tucson to Tucumcari to Tehachapi to Tonopah
I've driven every kind of rig that's ever been made
Driven the back roads so I won't get weighed
If you give me weed whites and wine and show me a sign
Well, I'll be willin' to be movin

I've been beaten by the wind and robbed by the sleet
Had my head stove in and I'm still on my feet and I'm willin' to be movin'
And I smuggled some smokes for folks in Mexico
Baked by the sun every time I go to Mexico and I'm still willin'

I've been from Tucson to Tucumcari to Tehachapi to Tonopah
Driven every kind of rig that's ever been made
I've driven on the back roads so I won't get weighed
You give me weed whites and wine and show me a sign
Well, I'll be willin' to be movin
