

Woman Blue

Arranged by McGuinn/Clark/Crosby

Well, I know my rider's gonna miss me when I'm gone
Well, I know my rider's gonna miss me when I'm gone
She's gonna miss her loving daddy from rollin' in her arms

When you see me coming, better hoist your window high
When you see me coming, better hoist your window high
When you see, you see me leaving, better hang down your head and cry

Well, I know my rider, she's bound to love me some
Well, I know my rider, she's bound to love me some
She use to throw her arms around me like a circle around the sun
Well, I know my rider's gonna miss me when I'm gone
Well, I know my rider's gonna miss me when I'm gone
She's gonna miss her loving daddy from rollin' in her arms

Well, I know my rider's gonna miss me when I'm gone
Well, I know my rider's gonna miss me when I'm gone
She's gonna miss her loving daddy from rollin' in her arms
