

Won't Let You Down
(Gene Clark)

1. I've got a new song for you, one that I wrote yesterday
It doesn't have a tune in fact it's so new it ain't got a name
For that life of whiskey and wine was so fine for awhile
Oh with the years and the times and the styles
(G A) Bm G
(G A)
Then you walked in the room, cut through the gloom
Bm G
(G G/F#) Em A
You made a new mood, it wasn't too soon
- And I won't let you down, I won't let you down
G A D A
Even though I may not know everything that's around
D F#m G A
D G D
And don't let me down, don't let me down I'll give you my word, my word is
all that I have
2. Now I went to see the gypsy queen just to find out where I stand
She said you don't need any thing, you've got it all in the palm of your
hand
For that life of whiskey and wine ... And I won't let you down
