

You're Running Wild
written by R. Edenton D.Winters

You're running wild how long can this go on
You're leaving me alone
Your running wild

You're always gone my love you'll never share
It's more than I can bear
You're running wild

You'll settle down some day
And find I've gone away
You'll think of what you've done while running wild

I can't go on you'll have to choose the way
You'll have to go or stay stop running wild

You'll settle down one day
And find I've gone away
You'll think of what you've done while running wild

I can't go on you'll have to choose the way
You'll have to go or stay stop running wild
You'll have to go or stay stop running wild
