

Auld Lang Syne

Words by Robert Burns

Best song to ever ring in the New Year. This may not be completely correct, but it sounds pretty good to my ears. Happy holidays, and enjoy!

Should auld acquaintance be forgot,
And never brought to mind?

Should auld acquaintance be forgot,
And auld lang syne!

CHORUS

For auld lang syne, my dear,

For auld lang syne.

We'll tak a cup o' kindness yet,

For auld lang syne.
