

I Wish It Could Be Christmas All Year Long

Written and recorded by Ferlin Husky

G C G
It's Christmas time the chapel bells are ringing
D7
The valley and the hills are filled with song
G C G
A time for peace while all the world is singing
D7 G
How I wish it could be Christmas all year long

C G
It's Christmas time when strangers smiles at strangers
D7
A time of hope a time to right a wrong
G C G
It's time to thank the baby in the manger
D7 G
How I wish it could be Christmas all year long

D7 C G
Peace on earth good will to men seems a simply thing
A7 D7
But when Christmas ends it passes like a dream

G C G
It's Christmas time we put away our sorrow
D7
A time for joy for happiness and song
G C G
We give thanks today but who thinks of tomorrow
D7 G
How I wish it could be Christmas all year long
