

Wonderful World Of Christmas

Written and recorded by Dick Damron

G D7 G
Looks like it's almost Christmas Christmas in the air
C G A7 D7
The happy sounds of Christmas are ringing everywhere
G D7 G
Hear the children laughing the tinkle as sleigh bells ring
C G A7 D7
Christmas time for sweethearts is the time for diamond rings

G D7 G
There's mistletoe and holly presents on the tree
C G
I hope you make it home for Christmas
D7 G
Cause that's the nicest place to be

C G
No matter if you live in a cottage small
D7 G
Down a little country lane
C G
Or amid the bright lights of the city
A7 D7
It's Christmas just the same

Repeat #2,3,2

C G
I hope you make it home for Christmas
D7 G
Cause that's the nicest place to be
