

Anyhow

written by Leonard Cohen and Patrick Leonard

Ddim Gdim

Ddim Gdim

Ddim (or Bb7)

You know it really is a pity

Gdim (or Eb7)

the way you treat me now

Ddim (or Bb7)

I know you can't forgive me

Gdim (or Eb7)

But forgive me anyhow

F#dim (or D7)

The ending got so ugly

Gm7

I even heard you say

Edim (or C7)

You never ever loved me

Adim (or F7)

But could you love me anyway?

I dreamed about you baby

You were wearing half your dress

I know you have to hate me

But could you hate me less?

I've used up all my chances

And you'll never take me back

But there ain't no harm in asking

Could you cut me one more slack?

Eb Bb F Gm

Ab Eb F

I'm naked and I'm filthy

and there's sweat upon my brow

And both of us are guilty

anyhow

Have mercy on me baby

After all, I did confess

Even though you have to hate me

Could you hate me less?

Eb Bb F Gm

Ab Eb F

(instrumental verse)

Ddim Gdim

It's a shame and it's a pity

I know you can't forgive me

The ending got so ugly

You never ever loved me

Dreamed about you baby

I know you have to hate me

I'm naked and I'm filthy

Both of us are guilty

Have mercy on me baby
