C# F#
I fought against the bottle
G# C# F# G#
But I had to do it drunk
C# F#
Took my diamond to the pawnshop
G# C# F# G#
But that don't make it junk

I know that I'm forgiven
But I don't know how I know
I don't trust my inner feelings
Inner feelings come and go

Chorus:

F# G# A#m
How come you called me here tonight?
F#
And how come you bother
G# A#m
With my heart at all?
D#
You raise me up in grace
G#
Then you put me in a place
G#7sus4 G# G#7
Where I must fall

Too late to mix another drink
The lights are going out
I'll just listen to the darkness sing
I know what that's about

Brodge2:

A#m G# C#
I tried to love you my way
A#m G# C#
But I couldn't make it hold
A#m G# F#
So I closed the Book of Longing
G#.. ...|... ..|... G#6..|G#7.. G#..|
And I do what I am told

Chorus:

How come you called me here tonight?
How come you bother
With my heart at all?
You raise me up in grace
Then you put me in a place
Where I must fall

I fought against the bottle
But I had to do it drunk
Took my diamond to the pawnshop
But that don't make it junk

I fought against the bottle
But I had to do it drunk
Took my diamond to the pawnshop
But that don't make it junk

That don't make it junk
That don't make it junk
