

## The Darkness

I caught the darkness  
Drinking from your cup  
I caught the darkness  
Drinking from your cup  
I said: Is this contagious?  
You said: Just drink it up

I got no future  
I know my days are few  
The presents not that pleasant  
Just a lot of things to do  
I thought the past would last me  
But the darkness got that too

I should have seen it coming  
It was right behind your eyes  
You were young and it was summer  
I just had to take a dive  
Winning you was easy  
But darkness was the prize

I dont smoke no cigarette  
I dont drink no alcohol  
I aint had much loving yet  
But thats always been your call  
Hey I dont miss it baby  
I got no taste for anything at all

I used to love the rainbow  
I used to love the view  
I loved the early morning  
Id pretend that it was new  
But I caught the darkness baby  
And I got it worse than you  
I caught the darkness.
