

He Will Set Your Fields On Fire-Kitty Wells
Auth Veona Braskett and C.M. Ballew

C
There's a call that rings for the one who sings
F C
To those now gone astray

Saying come ye men and your load of sin
D7 G7
There at the altar lay

C
You don't seem to heed at the chain of greed
F C
Your conscience never tires
F C
Be assured my friend if you still offend
F G7 C
He will set your fields on fire

If you don't from sin retire He will set your fields on fire G7
You have heard Jesus call and in death your soul must fall C
Now my friend if you desire you may join the heavenly choir G7
F C
And rejoice with Him free from every sin
F G7 C
When He sets this world on fire

You have heard His voice seen His soul rejoice
F C
That trusted in His grace
You have blushed with sin as He knocked within
D7 G7
But still you hide your face

C
From the blessed Lord and His own true word
F C
But still you say retire
F C
Leave the downward path kindle not His wrath
F G7 C
Or He'll set your fields on fire
