

He'll Do it Again

1

You may be down, and feel like God has some how forgotten
That you are faced with circumstances, you can't get through
Right now it seems there's no way out and you're going under
But God's proven time, and time again, He'll take care of you

2

God knows the things, you're going through, And He knows how you're hurting
You see He knows, just how your heart has been broken in two
But He's the God of the seas, the moon and the stars, And He is your father,
He can calm the storms, and He'll find some way to fix things for you
He'll Do it Again

chorus

He'll do it again for you, He'll do it again
If you just take a look, at where you are now and where you have been
Hasn't He always come through for you, He's the same God as then
You may not know how, you may not when, but He'll do it again

2 chorus

He's still God and He will not fail you, He's still God and He never change
Just like Jonah, Daniel, Shadrach, Mishac, Abednego
He'll do it again for you, He'll do it again,
If you just take a look at where you are now and where you have been
Hasn't He always come through for you, He's the same now as then
You may not know how, you may not know when, but He'll do it again

You may not know how, you may not know when, but He'll do it again.
