

POWER IN PRAYER

VERSE 1:

Well somewhere somebody, is praying tonight
For loved ones that's wondered, away from the light.
When faith reaches heaven, thank God he's aware.
And forever is changed, in one moment of prayer.

CHORUS:

Oh there's power in prayer, power to spare.
All that you'll ever need is waiting right there.
Just a few words of child's faith, and it's
goodbye to despair, oh there's power
so much power, there's power in prayer

VERSE 2:

Well a bed holds a body, that's paralysed with pain.
And the doctor says try, but all hope is in vain.
Oh but wait, someone's praying, in the midst of the room
And at once, the great physician, he steps into the room.
