

## A Shoulder To Cry On-Charlie Pride

Author:Merle Haggard

C G7 C  
 I came here because I knew I'd be welcomed  
 F G7  
 And because somehow you always understand  
 F C  
 You seem to have a way with lonely people  
 D7 G7  
 And you always were my greatest helping hand

C G7 C  
 Now once again I'm here to take advantage  
 F G7  
 And I don't deserve the arms I left alone  
 F C  
 I need to know there's someone who still loves me  
 G7 F C  
 And I need a sho-ul-der to cry on

G7 C  
 I overlooked the love you tried so hard to give  
 F G7  
 The love I never seemed to under stand  
 F C  
 I always stayed long enough to hurt you  
 D7 G7  
 And what little love I gave was second hand

C G7 C  
 Now once again I'm here to take advantage  
 F G7  
 Cause once again the one I love is gone  
 F C  
 I need to know there's someone who still loves me  
 G7 F C  
 And I need a sho-ul-der to cry on

F C  
 I need to know there's someone who still loves me  
 G7 F C  
 And I need a sho-ul-der to cry on
