 Any day now I will hear you say goodbye

My love and you'll be on your way
 C E7 Am
 Then my wild beautiful bird you will have flown
 C G7
 Oh any day now I'll be all alone

C Em F
 Any day now when your restless eyes meet someone new
 C
 Oh to my sad surprise then the blue shadows
 E7 Am
 Will fall all over town
 C G7
 Oh any day now love will let me down

Am Em F
 I know I shouldn't want to keep you if you don't want to stay
 Am Em Am Em Am
 And until you're gone forever I'll keep holding on for dear life
 G7 C
 Holding you this way begging you to stay
 Em F
 Any day now when the clock strikes go you'll call it off

And then my tears will flow
 C E7 Am
 Then my wild beautiful bird you will have flown
 C G7
 Oh any day now love will let me down
 C
 Cause you won't be around

Oh then the blue shadows will fall all over town
 C G7
 Oh any day now love will let me down
 C
 Cause you won't be around
