C
I just can't get it through my head
F
You love another now instead
C
Can't make myself believe we're really through G7
C
I'm walkin up and down the hall
F
Talking to a silent wall
C G7 C
I'll lose my mind before I'm over you

Chorus

F
I think I've almost lost my mind
C
I think about you all the time
F
I'm going crazy yes I know
G7
And I don't have far to go
C
The way you treat me is a shame
F
But I'll keep loving you the same
C G7 C
I'll lose my mind before I'm over you

I keep your letters I should burn
F
I wear your ring I should return
C G7
But there's a million foolish things I do
C
It makes me cry but you would laugh
F
To know I kiss your photograph
C G7 C
I'll lose my mind before I'm over you

Repeat Chorus
