

Butterfly Love-Jim Reeves  
Author: Mitchell Torok

C  
Your butterfly love just flutters around  
G7 C  
From flower to flower drops their heads to the ground  
F C  
There're leaves that fall and wither and die  
G7 C  
When your butterfly love comes drifting by

G7 C  
I found out just what it is that you like most of all  
F C  
To take a little honey then let our poor hearts fall  
G7 C  
How I got mixed up in this I guess I'll never know  
F C G7 C  
I would like to clip your wings and then tell you no

Repeat #1

F C  
I'm just one of a hundred flowers  
G7 C  
Waiting for your butterfly love

G7 C  
I grew here in a garden with a hundred more or so  
F C  
I've never dreamed my face would come from a love as pure as snow  
G7 C  
Every time I see your wings a floating in the breeze  
G7 C  
I know I'm helpless and you come and go just as you please

Repeat #1

G7 C  
I'll need a net to catch you and when I finally do  
F C  
I'll make you taste a bitter love the kind I got from you  
G7 C  
I'll take a hundred others and love them one by one  
F C G7 C  
And you can watch just like I did then I'll have all the fun

Repeat #1

F C  
I'm just one of a hundred flowers  
G7 C  
Waiting for your butterfly love
