Author:Sammy Johns

G C
 As the maid poured wine and we began to dine
 D7 G
 I knew I was feeling out of place
 C
 At a table as large as a river barge
 D7 G
 And I love you written all on your face

 C
 I appreciate your hospitality
 G D7
 But I wish that we would go
 G C
 Let me drive us to McDonalds and I'll talk to you
 D7 G
 Concerning something you should really know

 C
 I'm just a common man drive a common van
 G D7 G
 My dog ain't got a pedigree if I have my say
 C G D7
 Gonna stay that way cause high browed people lose their sanity
 G D7 G
 And a common man is what I'll be

 C
 I'll take a Chevrolet just any day
 D7 G
 So give your daddy back his Mercedes Benz
 C
 And there's some common people I hang out with
 D7 G
 They're my good time buddies they're my friends

 C
 And I'd rather chug-a-lug a mug of Budweiser Beer
 G D7
 Than sip a crystal glass of wine
 G C
 So won't you make your mind up to believe in me
 D7 G
 And leave this high living world behind
