

## Don't Stop The Music-George Jones

C F C  
Don't stop the music let it play one more song  
G7 F C  
The same one that's played tonight for so long  
F C  
She's out with another I saw them tonight  
G7 F C  
Sitting there close together she knows that not right

G7 C  
So don't stop the music let it play one more song  
D7 G7  
The same one that's played tonight for so long  
C F C  
My pockets are empty I spent my last dime  
G7 F C  
But I've just got to hear that song one more time

F C  
Don't be mad at me Mister I know that it's wrong  
G7 F C  
But I want you to hear the words of that song  
F C  
So don't stop the music don't make me go home  
G7 F C  
I know she's not there and I cry all night long
