God Will—Connie Smith and Nat Stuckey  
Author: John D. Loudermilk and Marijohn Wilkin

C                                F
God will walk with me down the streets
G7                                C
Where no one else will walk  
F
God will talk with me bout things of which
G7                                C
No one else will talk
C7                                     F       Fm
When no one else will walk and no one else will talk
C    G7    C
When no one will God will
C                                G7                           C
When no one will God will
F
God will bare with me the little worries
G7                                C
No one knows are there
F
God will care for me whenever
G7                                C
There is no one else to care
C7                                     F       Fm
When no one else will be there and no one else will care
C    G7    C
When no one will God will
F
God will talk with me when friends forget
G7                                C
And fail to understand
F
God will strengthen me when I am weak
G7                                C
And need a helping hand
C7                                     F       Fm
When no one understands or lends a helping hand
C    G7    C
When no one will God will
G7                                C
When no one will God will
