

## Hanging On To What I Got-Buck Owens

Author: Tom Brumley, Dusty Rhodes, Billye Spears  
and Buck Owens

C  
Well everybody got something on their mind  
F C  
That they like to talk about

Well I got something that I'm proud of  
D7 G7  
And it's worth shouting about

C  
Oh well I don't own a string of big fine cars  
F C  
And I don't want no fancy yacht  
F C  
Well I'm a telling you that I'm a happy man  
G7 C  
And I'm a hanging on to what I got

F  
I got a girl with two brown eyes  
C  
And arms to hold me tight  
F  
And I don't care if the sun don't shine  
C G7  
And daylight turns to night

C  
Well if a dollar bill is not worth a dime  
F C  
And if the whole world goes to pot  
F C  
Well I'm a telling you that I'm a happy man  
G7 C  
And I'm a hanging on to what I got

Well I'll not worry about the world  
F C  
And what it's a coming to

Or if old Lady Jones has got a new hat  
D7 G7  
Or if the browns had turned to blue

C  
Well if the London Bridge is a fallen down  
F C  
Or if old Big Ben has stopped  
F C  
Well I'm a telling you that I'm a happy man  
G7 C  
And I'm a hanging on to what I got
