

Honey Won't You Please Come Home--Jim Reeves
 Author: Jim Reeves and Luke McDaniel

G D7 G
 My friends all say what a pity
 C G
 That you've been gone so long
 C G
 Wonder how you are in the city
 D7 G
 Oh honey won't you please come home

 D7 G
 The cotton and the corn have been gathered
 C G
 The green green pastures are gone
 C G
 Today looks like stormy weather
 D7 G D7 G
 Honey won't you please come home mmm mmm mmm

 D7 G
 The whippoorwills have started calling
 C G
 The night winds whisper a song
 C G
 Soon the tears will be falling
 D7 G
 Oh honey won't you please come home

 D7 G
 Soon the snow will be falling
 C G
 Down comes teardrops and all
 C G
 I miss the sound of your calling
 D7 G D7 G
 Oh honey won't you please come home mmm mmm mmm
