C F C  
 I once had a mansion and lived in my glory

G7  
 But now I'm down to my last dime

C F C  
 I had a sweetheart but I was unfaithful

G7 C  
 Oh I've lived a lot in my time

F C  
 I've fought the grim reaper down in the dark valley

G7  
 I've prayed when the sun wouldn't shine

C F C  
 I've looked through the bars of a cold lonely prison

G7 C  
 Oh I've lived a lot in my time

F C  
 I've been a soldier and I've been a rambler

G7  
 Once thought everything was fine

C F C  
 I've hoed in the corn fields I've picked in the cotton

G7 C  
 Yes I've lived a lot in my time

F C  
 I've walked with our master down in the dark valley

G7  
 And wonderful peace I did find

C F C  
 Someday I'll journey to Eden's green pastures

G7 C  
 Yes I've lived a lot in my time
