Author:Glenn Sutton and Red Steagall

C F  
 All day long I work a job I hate just to survive  
 G7 C  
 At night I dream it's Friday that's the day the eagle flies  
 F  
 I picture me in Vegas and beneath those neon lights  
 G7 C  
 With a pretty girl on both my arms and dancing till daylight

F G7 C  
 Cause I love everything in nylons every place with neon  
 F G7 C  
 A honky tonk's my home away from home  
 F G7 C  
 Makes me think of romancing those pretty girls and dancing  
 F G7 C  
 Neons and nylons really turn me on

F  
 I'm sure someday I'll find a girl who'll make my dreams come true  
 G7 C  
 We'll probably raise a family just like other people do  
 F  
 She'll just have to understand that when my week is done  
 G7 C  
 I'm gonna spend my weekend nights in my home away from home
