C
 The Lord looked down
 F C
 And all He saw was sin

G7 F C
 So He said I'm gonna start
 This world over again

 F C
 Well the skies turned black and the rain came down
 G7 C
 And it rained rained rained

 F C
 The thunder roared with the terrible sound
 G7 C
 And it rained rained rained

 F C
 So He said to Noah build that ark
 F G7 C
 Build it strong and true

 F C
 Then take two of everything
 F G7 C
 Upon this ark with you

 F C
 So Noah and his sons built the mighty ark
 G7 C
 And it rained rained rained

 F C
 They worked by day and they worked by dark
 G7 C
 And it rained rained rained

 F C
 The people laughed at Noah's ark
 F G7 C
 Not knowing of their fate

 F C
 And when they finally realized
 F G7 C
 By then it was too late

 F C
 On came the animals two by two
 G7 C
 And it rained rained rained

 F C
 People cried Noah let us come with you
 G7 C
 And it rained rained rained

 F C
 But Noah said people you've lived in sin
 F G7 C
 Paid the Lord no mind

 F C
 Now there is no room for you
 F G7 C
 Upon this ark of mine

 F C
 Oh well the earth became one mighty sea
 G7 C
 And it rained rained rained

 F C
 What was said had come to be
 G7 C
 And it rained rained rained

 F C
 Gone was mountain gone was land

F G7 C
Neath the waters deep
 F C
Only Noah's Ark was saved
F G7 C
Upon this mighty sea

Now that you've heard
 F C
This story my friend

Don't think for a minute
F G7 C
This can't happen again
