

Nobody's Fool - Jim Reeves

Author: Hal Bynum

G G7 C  
 I know they've been saying that you broke every rule  
 G D7  
 That one day I'll leave you cause I'm nobody's fool  
 G G7 C  
 I'll always have heartache as long as you're mine  
 G D7 G  
 But if I should lose you I'd be lonely all time

D7 G  
 So I'd rather be your fool than no fool at all  
 D7 G  
 I'll just spend those lonely hours just hoping you'll call  
 G7 C  
 There was no love before you only emptiness there  
 G D7 G  
 But I'm a fool forever thankful for the little you care
