[3/4 time]

C G7 C
 Played a party last night for some old folks

F C
 They were dancing and smiling at me

G7 Am
 Cept this old man alone at a table

D7 G7
 As if there's someplace that he'd rather be

C G7 C
 So I said sir can I play something for you

F C
 Something special that you'd like to hear

G7 Am
 When he looked up at me he was smiling

C G7 C
 Oh but his eyes couldn't hide the tears

F
 He said play me the waltz of the angels

C G7
 And I'll close my eyes and pretend

C F
 Play me the waltz of the angels

C G7 C
 So I can dance with my angel again

G7 C
 He said yes that's the song I remember

F C
 That's the one that she loved the best

G7 Am
 It was playing the night that I met her

C G7 C
 And it was playing when we laid her to rest

Repeat #3 Play me...

G7 C
 Let me dance with my angel again
