

Remember Me-Willie Nelson

Author:Scott Wiseman

C F C
 You told me once you were mine alone forever
 G7 C
 And I was yours till the end of eternity
 F C
 But all those vows are broken now and I will never
 G7 C
 Be the same except in memory

F C
 Remember me when the candle lights are gleaming
 G7 C
 Remember me at the close of a long long day
 F C
 And it would be so sweet when all alone I'm dreaming
 G7 C
 Just to know you still remember me

F C
 A brighter face may take my place when we're apart dear
 G7 C
 Another love with a heart more bold and free
 F C
 But in the end fair weather friends may break your heart dear
 G7 C
 And if they do sweetheart remember me
