

Sad Songs And Waltzes-Willie Nelson
[3/4 time]

C G7 C
I'm writing a song all about you
F C
A true song as real as my tears
F C F
But you've no need to fear it cause no one will hear it
C G7 C
Cause sad songs and waltzes aren't selling this year

G7 C
I'll tell all about how you cheated
F C
I'd like to the whole world to hear
F C F
I'd like to get even with you cause you're leaving
C G7 C
And songs and waltzes aren't selling this year

G7 C
It's a good thing that I'm not a star
D7 G7
You don't know how lucky you are
C F
Though my record may say it no one will play it
C G7 C
Cause sad songs and waltzes aren't selling this year

Repeat last verse
