

We've Got A Good Thing Going-Norma Jean

G D7  
 Baby I think it's time we did some talking  
 G  
 Maybe we ought to do some moonlight walking  
 C  
 We've both been caught up in the ways of the world  
 D7 G  
 But I just wanna be your girl

D7  
 And slipping away slipping away  
 G  
 We've got a good thing going  
 C  
 Right in the middle of sweet love song  
 D7 G C  
 Got a perfect melody but we've lost the harmony  
 D7 G C  
 Got a good thing going wrong mmmm  
 D7 G  
 Got a good thing going wrong

D7  
 We've got to stop watching that ole evening news  
 G  
 Maybe they're giving us the evening loose  
 C  
 Turn off the TV and turn down the lights  
 D7 G  
 Lets have some prime time tonight

D7  
 Cause we're slipping away slipping away  
 G  
 We've got a good thing going  
 C  
 Right in the middle of sweet love song  
 D7 G C  
 Got a perfect melody but we've lost the harmony  
 D7 G C  
 Got a good thing going wrong mmmm  
 D7 G  
 Got a good thing going wrong
