C F
Wonder how long it will take
C
For this heart of mine to break
G7
There I watch you walk away
F C
This was to be our wedding day

F
I won't hear the choir sing
C
While I hold your golden ring
G7
Might as well throw it away
F C
With my dreams of wedding day

F
Oh oh oh oh oh oh oh oh
C
To hold you in my arms again
G7
I watched my whole world fade away
F C
On this our wedding day

F
Who was right and who was wrong
C
Makes no difference when you're all alone
G7
As I watch you walk away
C
Goodbye darling goodbye wedding day
