 It gets longer in between each time you call  
 G7 C

 F  
 We're never seen together like we used to be  
 G7 C  
 Tell me darling whatever happened to me

G7 C  
 I once played a big part in your world  
 G7 C  
 Think back and I know you'll agree  
 G7 C  
 You still play a big part in my world  
 D7 G7

C C7 F  
 I made up my own excuses for so long  
 G7 C

 F

 G7 C  
 And tell me darling whatever happened to me

F  
 Please forgive me if I'm just too blind to see  
 G7 C  
 And tell me darling whatever happened to me
