

Wonderful Future-Willie Nelson

[3/4 time]

G D7 G C
 Today as I walk through my garden of dreams
 G D7 G D7
 I'm alone in the sweet used to be
 G D7 G C
 My past and my present are one and the same
 D7 G G7
 And the future holds nothing for me

C G
 Yesterday's kisses still burning
 D7 G
 And yesterday's memories still find me
 C G
 Scenes from the past keep returning
 D7 G
 I've got a wonderful future behind me

D7 G C
 You say there is happiness waiting for me
 G D7 G D7
 But I know this is just fantasy
 G D7 G C
 Let me trade one tomorrows for one yesterday
 D7 G G7
 Let me live in my garden of dreams
