

Blue Love

BLUE LOVE

Recorded by Hank Williams, Sr.

aka Fred Rose

Words and music by Floyd Jenkins

D A7 D
I've got a Blue Love in my heart

A7
What can I do, love, with my heart

D G D
It's got a burnin', yearnin' while we're a-part

A7 D
I've got a Blue Love in my heart.

D7 G G7 D
So blue the nights, so blue the days

G D A7
Why don't you write to me and say;

D A7 D
You've got a true love in your heart

A7
An "I'll come thru love" in your heart

D G D
And stop this burnin', yearnin' while we're a-part

A7 D
I've got a Blue Love in my heart.

I've got an old flame in my heart
A solid-gold flame in my heart
I'm like a weepin'-willow, while we're apart
I've got a Blue Love in my heart.

What can I do, where can I go
I never knew I loved you so;

I've got a Blue Love in my heart
What can I do love with my heart
I'm like a weepin'-willow, while we're apart
I got a Blue Love in my heart.
